

MOHIT BHATIA

Receiver | Warehouse & Retail Operations | Inventory Control
Orleans, Ottawa | 437-879-3446 | mohitbhatia612@gmail.com

PROFESSIONAL SUMMARY

Dependable and detail-oriented Receiver with hands-on experience unloading, inspecting, and staging shipments in a fast-paced distribution environment. Skilled in inventory accuracy, FIFO rotation, and maintaining organized warehouse areas in compliance with health and safety standards. Proven ability to work efficiently in physical, high-volume settings while supporting retail floor operations and delivering outstanding customer service. Eager to bring a strong work ethic and collaborative attitude to the Loblaws team.

PROFESSIONAL EXPERIENCE

Meat Cutter

May 2026 – Present

Farm Boy – Orleans, ON

- Receive and inspect incoming meat deliveries, verifying quantities and flagging any discrepancies or quality issues to supervisors.
- Cut, trim, and prepare a variety of meat products to weight and presentation standards, ensuring product quality and consistency on the retail floor.
- Package, label, and rotate meat products following strict FIFO and freshness standards to minimize shrink and maintain shelf appeal.
- Restock and merchandise the meat display case, supporting floor presentation standards and product availability throughout the shift.

Receiver & Forklift Operator

Dec 2025 – Apr 2026

Farm Boy Distribution Centre – Ottawa, ON

- Receive, inspect, and stage 15–20 pallets per shift of fresh and grocery products for timely distribution to retail locations.
- Maintain 98%+ inventory accuracy during cycle counts and audits through careful documentation and product verification.
- Identify and escalate damages, shortages, or discrepancies to supervisors, preventing operational disruptions.
- Enforce FIFO rotation and product quality checks to support store-level freshness and customer satisfaction.
- Keep receiving area clean, organized, and fully compliant with Safe Food Handling and Health & Safety standards.
- Coordinate with warehouse teams to prioritize high-demand and seasonal shipments and maintain product availability.

Assistant Department Manager – Bakery

Apr 2025 – Nov 2025

Walmart Canada – GTA, ON

- Supported daily department operations, monitoring inventory levels and stocking the retail floor to prevent out-of-stocks.
- Assisted with merchandising and promotional displays to drive product visibility and sales performance.
- Ensured product freshness through consistent FIFO rotation, labeling, and food safety compliance.
- Supervised and coached bakery associates, maintaining productivity and quality standards during high-volume periods.

Customer Service Representative & Store Supervisor

Mar 2024 – Apr 2025

Al Cash and Carry – GTA, ON

- Delivered excellent customer service, resolving inquiries and ensuring a positive in-store experience for every shopper.
- Supervised 6–8 team members per shift, assigning tasks and ensuring timely completion of stocking and operational priorities.
- Maintained a fully stocked, organized sales floor and backroom through consistent merchandising and product rotation.
- Monitored inventory levels and flagged shortages to reduce out-of-stock situations across all departments.
- Upheld cleanliness, safety, and compliance across the sales floor and warehouse areas at all times.
